

Dansen English Springer Spaniels

“To Make the Best Better” was the Motto we had in 4-H, when I won the National 4-H Dog Care and Training Scholarship. My life experiences as the first AKC Breeder of Merit for English Springer Spaniels in the State of Texas serve me well as I dearly love this breed.

I am an approved Breeder Judge with AKC and the International Kennel Club judge. I have been a breeder, exhibitor and owner since the late 60's. These sound and lovely tempered fun dogs have winged birds in the field and in the show ring. Dansen prodigy have won Awards in Europe as well as here in North America, South America, South Africa, Thailand, Spain, Mexico and Finland. Winning majors at The American Spaniel Club have been my biggest honor in the breed ring.

Dr. Fred and Mrs. Julia Gasow, who developed the line of Springer I have dedicated my breeding program and knowledge to preserve this line identified with the Kennel name Salilyn. I still remember Mrs. Gasow remark after my puppy bitch won Best of Winners defeating over 80 bitches what she shared with me in front of Mrs. Diane Ostenberg and Kellie FitzGerald who handled on that day. She said, “ I believe she is the best bitch we have produced”. This young foundation bitch was direct descendant to Ch. Salilyn's Aristocrat, Ch. Salilyn's Classic, and down the pipe to Ch. Salilyn's Dynasty and Ch. Salilyn's Happy Birthday.

I continue to preserve Salilyn line and breed sound tempered Truitia tested 1-5 score temperaments, OFA hip quality and CERF clear and most PRA normal companion dogs for the field, home, agility and all things sporting spaniels do from their historical development.
